Dear ISHR-ES Member,

We hope you have all had a great summer. We thank all of you who attended our ISHR-ES meeting in Barcelona. We all had a fantastic time and would like to thank the local meeting organizers: David Garcia-Dorado and Marisol Ruiz-Meana and their team for making the meeting such a success.

**XXIInd World Congress of the ISHR, Buenos Aires, Argentina, April 18-21, 2016**

We would be grateful for your suggestions for session proposals for the ISHR World Congress in Buenos Aires. Please fill the attached form and email your session proposal (title + 4 talks) to [rlmoss@wisc.edu](mailto:rlmoss@wisc.edu) and [llobaugh@nc.rr.com](mailto:llobaugh@nc.rr.com) Deadline Oct 15<sup>th</sup> 2014.

**Proposals for XXIVth World Congress of the ISHR 2022**

Are any members of ISHR-ES interested in organizing the ISHR World Congress in 2022? The last time that this meeting was held in Europe was in 2007 (Bologna, Italy, organized by Roberto Ferrari and David Hearse). Since then, locations for the World Congress are: Japan (2010), USA (2013), Argentina (2016), China (2019). It might, therefore be appropriate to return to Europe in 2022. Anyone thinking about organizing such a meeting might find it useful to discuss with Metin Avkiran ([metin.avkiran@kcl.ac.uk](mailto:metin.avkiran@kcl.ac.uk)), the current President of ISHR International, to find out exactly what is involved. If you would like to make a bid then please also let the ISHR-ES President (David Eisner) and Secretary (Derek Hausenloy) know.

If you have any suggestions and comments regarding any aspect of the ISHR-ES please kindly get in contact.

Sincerely,

Derek Hausenloy  
Secretary of ISHR European Section
