Dear ISHR-ES Member,

We all hope you had a great Summer.

ISHR-ES Bordeaux 1-4th July 2015

For those of you who joined us in Bordeaux for our ISHR-ES meeting we hope you all had an excellent time both from a scientific and social point of view. We would like to express our deepest gratitude to Pierre Dos Santos and the local organizing committee and team for putting together such a wonderful and memorable meeting – see [link](#) to photos.

Election of 2 new Council Members

At this year's summer council meeting in Bordeaux we welcomed 2 new council members – Zoltan Papp (Hungary) and Alessandro Ghigo (Italy), with this year being the first time we elected an 'Early Career Investigator'.

ISHR-ES/Servier Fellowship 2016

We would encourage our young researchers to apply for the ISHR-ES/Servier Fellowship. As the winner for this award will make a presentation at the ISHR World Congress in Buenos Aires the deadline for applications for this Fellowship will be Dec 15th 2015. We look forward to receiving your applications – please see attached flyer for further information on eligibility and how to apply.

Richard J. Bing Young Investigator Award

We would also encourage our young researchers to consider applying for the prestigious Richard J. Bing Young Investigator Award, which will be presented at the XXII ISHR World Congress in Buenos Aires, Argentina, April 18-21, 2016. The deadline for applying for this award is 15th December 2015 – please see attached documents for further information on eligibility and how to apply.

ISHR World Congress meeting in 2022

Looking ahead to the ISHR World Congress 2022 we would like to invite proposals for the venue – given that the hosts for the 2016 and 2019 World Congresses are in Buenos-Aires and Beijing, respectively, it is hoped that the 2022 World Congress will take place in Europe. If you wish to consider organizing the World Congress, we can send you the guidelines issued by the ISHR World section.

If you have any suggestions and comments regarding any aspect of the ISHR-ES please kindly get in contact.

Sincerely,

Derek Hausenloy
