[ISHR has a new look in 2022](#)

Thanks to the initiative of ISHR-NAS President, David Lefer, and his colleagues, ISHR has a new logo!

Inês Falcão Pires
(Portugal)

A poll of members in July indicated a strong preference for the dark blue and red color scheme – a nod to our previous logo and ISHR history. The new logo (above) reflects new initiatives and brands ISHR as a strong and modern research community moving into the future.

Best wishes,

Zoltán Papp
