NEWSLETTER May 2024

Dear ISHR-ES Member,

We are looking forward to an exciting annual meeting in Toulouse in June – hope to see you there!
I would like to draw your particular attention to the call below for new Early Career Investigator Council representatives.

38th Annual Meeting of the International Society for Heart Research (ISHR) European Section, 11-14 June 2024, Toulouse, France

The 38th ISHR-ES meeting will be held in **Toulouse, France** from **June 11th to the 14th**. Toulouse is a beautiful city located in the South-West of France, close to the Pyrénées mountains and between the Atlantic Ocean and the Mediterranean Sea. **Registration** is open now and will close **11th June 2024**. **Onsite registration** will be also available. Additional information can be found at the meeting website: <https://ishr2024.sciencesconf.org>.

Call for 2 new Early Career Investigator Council representatives

Are you a cardiovascular researcher less than 8 years from your PhD? We are seeking self-nominations for two new ECI representative to serve on the ISHR-ES Council. Please email your CV and 1-page letter containing up to 300 words outlining your motivation to join the Council as ECI representative to s.davidson@ucl.ac.uk before 30th June 2024. For information about the ECI role please see the ISHR-ES website: <http://ishr-europe.org>

Departing ISHR-ES Council Members

Paula da Costa Martins will be leaving the Council at the upcoming ISHR-ES congress in Toulouse in June 2024. Paula has been on the Council since 2017 and has served as a treasurer since 2022. We would like to thank Paula for her dedicated service and contributions to the ISHR-ES Council in all of her functions.

Our Early Career Investigator Council members Bernadin Ndongson-Dongmo and Julie Pires Da Silva will also be leaving – we thank them for their contributions and wish them the very best in the future careers.

Webinar

Join our free webinar organized by our early/mid-career representatives, with experts on immuno-cardiology Prof Sophie Linthout, Dr Gustavo Ramos and Dr Marinos Kallikourdis. Learn about Immunity, inflammation resolution, cardiac remodeling, cardiac repair, therapies, emerging technologies. May 28th 2024 14:00-15:30 CET.

ISHR Cardiovascular Webinar Series
